The Barefoot Writer

May 2 at 8:30 am

Now is the best time EVER to live the writer's life! It's amazing just how many opportunities exist these days for writers. And the really great part is that these opportunities require no start up investment, no degree in writing, and no experience!

Do you remember Elaine on *Seinfeld*, the copywriter for J. Peterman mail order catalog? I do. And I remember she had to actually BE in the office to do her work. The good news is you can work from HOME as a copywriter. Just try any one (or more!) of these 9 paid writing opportunities explained in our FREE report.

Rebecca Matter, Publisher of *Barefoot Writer*, has prepared an info-filled description of each of 9 of the best-paying ways to make a living as a freelance writer. And you can do any of these projects in your bare feet and PJ's if you want—from anywhere in the world.

Want to be your own boss and make up your own work schedule? Find 9 ways to do just that in our FREE report. Would you like to skip that long daily commute and move out of that tiny cubicle once and for all?

Download our free report today and get on the fast track to your writing success.

Would you like to get paid to write?
Can you see yourself writing with a beautiful view like this?
You can use your passion for writing to make a great
living as a Barefoot Writer.

(The script is narrated by Mindy McHorse. I would have the type appear on each image in case the reader does not want to listen. However, I do not yet know how to make that happen!)

Scene	Visual	Audio
1		Mindy McHorse, "Mindy McHorse here to say you, too, can choose your view, your writing projects, and your writing schedule."
2		"Now's the time to escape that cubicle."
3		"You could be writing instead of sitting in traffic."

4		<p>“Do you have a grouchy boss? You could be your OWN boss!”</p>
5		<p>“Can’t afford to start a family? We couldn’t, either until I became a Barefoot Writer.”</p>
6		<p>“Will your kids have huge college debts?”</p>
7		<p>“How about vacations?”</p>
8		<p>“A mountain lake would do nicely for a family trip.”</p>

<p>9</p>		<p>“Or maybe your passion is biking in the desert.”</p>
<p>10</p>		<p>“Want to see pages from Mother Nature’s coloring book?”</p>
<p>11</p>		<p>“Perhaps National Parks are on your vacation list.”</p>
<p>12</p>		<p>“Have you always wanted to travel the world...”</p>
<p>13</p>		<p>“...and see exotic wildlife?”</p>

<p>14</p>		<p>“Find out how you can write from home or from anywhere.”</p>
<p>15</p>		<p>“Your next office can be a room with a view!”</p>
